The Grant Guidelines is corrected or modified as follows:

Point n°1: Guidelines for Grant Applicants – Additional Notes (Section 2.1.5) Article 3

Instead of:

3...However, in the event that the occupational standard is put into effect in the field in which national qualification will be prepared, instead of preparing occupational standards, additional number of qualifications shall be developed in line with the national qualifications system.

Read:

3...However, if the national occupational standards are put into effect in the relevant sub-sector, instead of preparing occupational standards, applicants shall develop additional number of qualifications in line with the national qualifications system as the number of lacking occupational standards.

Point n°2: Guidelines for Grant Applicants – Additional Notes (Section 2.1.5) Article 1

Instead of:

1- The applicant and/or co-applicant(s) must establish and operate a testing and certification system for minimum 3 (three) national qualifications under the scope of the project.

Read:

1-The applicant and/or co-applicant(s) must establish and/or operate a testing and certification system for minimum 3 (three) national qualifications under the scope of the project.

Point n°3: Annex G- Standard Grant Contract Article 7- Other specific conditions applying to the Action

A new Article is added as follows:

7.1.10 In supplement to Article 14.9 of the General Conditions, salary costs of the personnel of the public authorities assigned to the Action may be eligible provided that it is well-justified and comply with the conditions stated in the Annex L to the Contract.

All other terms and conditions of the Guidelines for Grant Applicants remain unchanged. The above alterations and /or corrections to the Guidelines are integral part of the Guidelines for Grant Applicants.
